01 / THE MISSION

Plan the perfect day out

B1 • 60 minutes • Pairs • Teenagers and adults

Four friends are visiting the fictional town of Greenford. Agree on a Saturday plan for the whole group. Your budget is £100, from 10:00 to 16:00.

Your result

Create a timed itinerary and give a 60-second pitch. Both partners explain choices and answer an audience question.

The rules

1. Choose two different activities and one lunch for all four friends.
2. Choose at least one indoor activity.
3. Allow 15 minutes to walk between each activity and lunch.
4. Start at the first activity at 10:00. Finish by 16:00.
5. Check the prices for FOUR people. Meet the visitors' needs.

Before you start · 5 minutes

Describe a memorable day out. Rank these priorities: trying something new, saving money, being active, spending time together. Explain your top choice.
